9	GEO	POR	JPN	KUW	ISR	FIN	
10				UKR			

1. The draw represents the Start Order for the federation in the first rotation of competition. Subsequent rotations will proceed in the normal fashion if the nominative registrations permit.
2. The FIG Men's Technical Committee has the right to make minor adjustments to the draw if the nominative registrations create organizational or scheduling problems.
3. Federations may insert any of their registered gymnasts into the apparatus slots available and reserved for that federation.
