

Coach Rhythmic Gymnastics (70–90%)

The performance center *Stützpunkt RG Südostschweiz* is looking for a **Coach Rhythmic Gymnastics (70–90%)** to start immediately or by agreement.

We expect:

- Experience in a similar position with very good knowledge of national and international requirements in Rhythmic Gymnastics
- Qualification as STV Coach Level 2 or equivalent foreign qualification (Professional Coach Diploma, Diploma Coach Diploma, Master's degree)
- Trustworthy personality, reliability, high social competence, and ability to work in a team
- Sensitivity and expertise in dealing with ethical issues
- Knowledge of German or willingness to learn it if not already known; English at least B1 level
- Psychological knowledge and pedagogical skills in working with children

Responsibilities:

- Technical training of gymnasts according to the Ethics Charter and the Ethics Statute of Swiss Olympic
- Close cooperation with the head coach and the board
- Active and committed teaching and modern training methods
- Development of gymnasts for youth, junior, and national squads
- Preparation of gymnasts for national and international competitions
- Preparation of junior and elite gymnasts for major events
- Planning, organization, and coordination of training operations as well as administrative tasks
- Implementation of the instructions of the head coach

We offer:

- A good working environment in one of Switzerland's official performance centers
- Workplace in Zizers (Chur region)
- Progressive working conditions: the only performance center in Switzerland with its own hall and sprung floor
- Modern social benefits
- Talented and motivated gymnasts
- Support with relocation from abroad in administrative matters
- Openness to new approaches

Interested candidates are invited to apply by email to the president at:
marion.schoenenberger@gmail.com

We look forward to hearing from you! Board *Stützpunkt RG Südostschweiz*
