

Head Coach Women's Youth Artistic & Apparatus Gymnastics

Full-time (part-time possible) | Permanent contract | Start date: September 1, 2026 | Hosingen, Luxembourg

Permanent position in Luxembourg – including support with finding accommodation and administrative procedures.

SG Housen is looking for a dedicated coaching personality starting September 1, 2026, or by agreement, to build and develop our female youth squad in artistic and apparatus gymnastics.

Who we are

We are a family-friendly gymnastics club in the north of Luxembourg with a very well-equipped artistic gymnastics hall. With us, you will find short communication channels, a warm-hearted team, and gymnasts who are motivated.

Your responsibilities

- You will take over the fundamental technical training of our female youth squad in competitive gymnastics (ages 4–20)
- Training planning and execution
- Child-friendly and long-term development of our gymnasts
- Supporting gymnasts at competitions
- Representing the values of SG Housen internally and externally

What you bring

- Experience as a coach in competitive gymnastics
- Coaching qualification: a minimum of EQF-3 or foreign equivalent
- Profound knowledge of the requirements in women's youth gymnastics and experience in training young athletes
- Pedagogical, child-friendly understanding of training
- Joy in working with children and youth
- Team spirit and reliability

What we offer

- A **permanent full-time position** in Luxembourg (part-time possible by arrangement)
- **Support in finding accommodation** and assistance with all administrative procedures (registration, social security, etc.)
- **Very attractive, above-average remuneration**
- Paid professional development opportunities
- Flexible working hours
- A fully equipped artistic gymnastics hall
- A family-like environment with genuine support from the club and parents
- Creative freedom: Space to implement your own ideas and concepts

Have we sparked your interest?

Are you convinced that the individual and holistic development of athletes is the foundation for sporting success?
